Volunteering

Have you ever thought about Volunteering being a way to network with people and add to your skill set or maybe just to keep your current skills fresh? Volunteering has always been a very important part of our Community. During these difficult economic times, volunteering has become a very helpful tool for those who are job searching.

- Networking and meeting new people can open doors to possible job opportunities.
- Closing the long gaps of unemployment on your resume.
- Shows potential employers that you are willing to learn new skills or the importance of keeping your current skills fresh.
- Socializing and meeting new people always helps with the feeling of isolation and depression that can happen during job loss along with the frustration you may be feeling during your job search.

We have added a new category on our [job leads](#) page on the website that will include opportunities in volunteering. If you have any questions or concerns about volunteering, please feel free to contact our office or stop by and the Peer Helpers at the Centre will assist you with your needs.

Fabco Pig Roast

As discussed at our last union meeting we are having a Picnic at the old KOA campground on Saturday, July 17th from 2pm onward. The campground is located on the 9th Concession (Windsor) and the 401. There is no cost to Fabco employees and (1) guest, however you must purchase a ticket in advance which will be refunded at the door. The event will include food, swimming and other outdoor activities such as horseshoes, hillbilly golf, volleyball, and badminton. You only need to bring yourself and whatever you are drinking as this is a BYOB adult only event.

For more info email union@govital.net or call the union office at 519-972-2839 or the workers adjustment centre at 519-256-6142 ext. 224.

Fringe Theatre was first staged over 50 years ago by theatre groups who were not allowed to participate in Scotland's prestigious Edinburgh Theatre Festival.
